

 "C:\Users\asus1\Desktop\Sem 4\Semester4\Numerical Methods\Lagrange_Interpolation.exe"

The value of $f(3)$ is 35

Process returned 0 (0x0) execution time : 0.081 s

Press any key to continue.

Using Lagrange Interpolation value of $F(3) = 31$

Process returned 0 (0x0) execution time : 0.061 s

Press any key to continue.

Output using Lagrange Interpolation Method
